

## REMARKS

Reconsideration of the subject application as amended herein is respectfully requested.

As discussed in the specification, one of the features of the present invention is that it has a modular design. More specifically, there are several different types of known patient monitors from different sources, each patient monitor having its own set of operational characteristics.

The Commissioner is authorized to use Deposit Account No. 07-1730 for any fees that may be required including fees for extensions. This is a continuing request. A duplicate is enclosed for that purpose.
